ABOUT SAGAR

Founded in January 2006, SAGAR is a professional organization committed to safeguarding, conserving and promoting India's rich tangible and intangible cultural heritage.

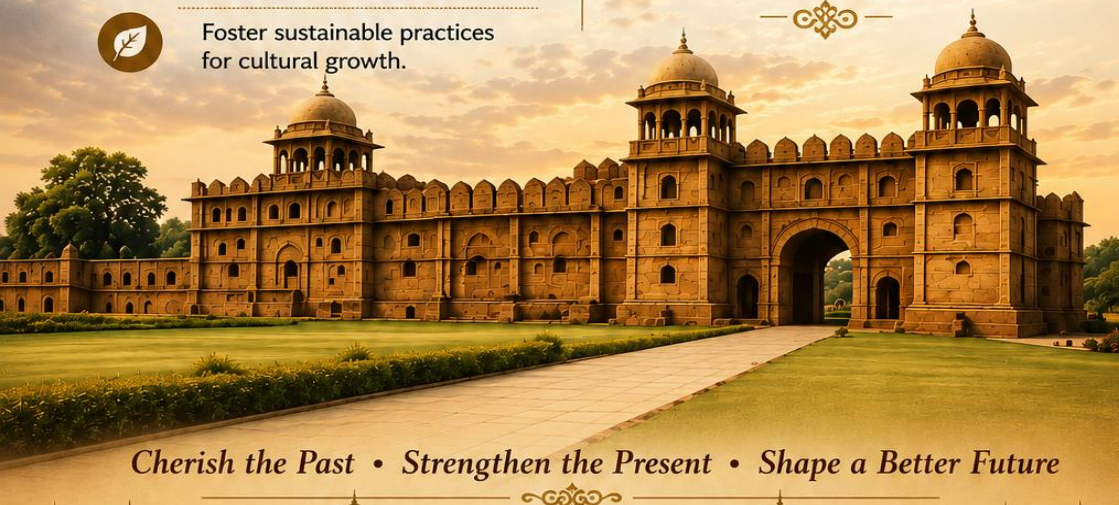
SAGAR unites experts and practitioners from diverse fields—including archaeology, architecture, museology, conservation, history, research and cultural practice—to carry out initiatives in heritage conservation, museum development, documentation, research and education.

OUR MISSION

- Encourage art, culture and education.
- Safeguard and celebrate cultural heritage.
- Build strong museums and cultural organizations.
- Advance research and heritage documentation.
- Increase awareness and appreciation of heritage.
- Foster sustainable practices for cultural growth.

OUR VISION

To build a society that values its heritage and leverages education and innovation to drive sustainable development and inclusive progress.



Cherish the Past • Strengthen the Present • Shape a Better Future
